Re: Records Request dated December 11, 2017

Dear Ms. Baker:

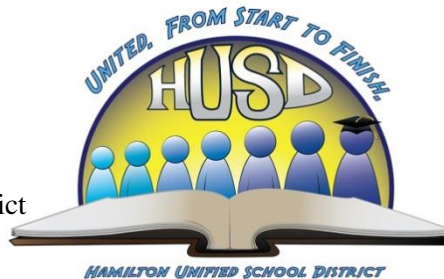

We write in response to your December 12, 2017, California Public Records Act ("CPRA") request. As communicated with you on December 18, 2017, the Hamilton Unified School District required additional time to review its files in order to determine if it held records responsive to your request. As such, we have reviewed our records in response to your request for records and provide records responsive to your request. Your CPRA requested the following information to be produced in Excel spreadsheet format: "Campus (or office building name, for staff), First Name, Middle Name, Last Name, Position Grade Level (for teachers), Subject Area taught (for teachers), Certified in Area of Instruction (for teachers), Home Address, School Email, Personal Email, Personal Phone Number, Gender Race/Ethnicity, Hire Date, and Years of Experience."

We have determined the attached records are responsive to your request and subject to disclosure. Please note, a portion of the records have been withheld as they are exempt from disclosure pursuant to Government Code section 6255, the "catch all" exemption. Records are exempt from disclosure under Government Code section 6255, if the public interest served by not disclosing the records clearly outweighs the public interest served by disclosing the records. (Government Code section 6255(a).) Finally, the records not included in this response are exempt from disclosure under Government Code section 6254, subdivision (c). That is, personnel or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.

Very truly yours,

Charles Tracy, Superintendent
Hamilton Unified School District
