School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 8/2014

Hamilton Community Day School is non-operational for the 2018-19 and 2019-20 school years.

Textbooks and instructional materials are reviewed and selected according to California State Standards, as well as research-based for alternative education. Textbooks are Board approved.

Other non-approved books are used in instruction. Sections of material from certain books are used to supplement the material being covered. The teacher checks all assignments against the State Standards.

All students have access to textbooks and supplemental materials that are needed to complete their credits. The district has affirmed that each student has their own textbook to use in class and to take home.

An art class is offered in the visual and performing arts.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Staff at Community Day believe that parent involvement is critical to student success. Our school offers an open-door policy to its parents.

Parents are welcome to attend their student’s classes or take school tours. A visitor’s pass and a class schedule can be obtained at the Alternative Education office. Interested parents may contact Maria Reyes, Dean of Students, at (530) 826-3331 or mreyes@hudschools.org for more information about ways of getting involved in the school’s programs.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions			4.5	3.5	3.5	3.5
Expulsions			0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The HUSD and HHS School Safety Plan of Emergency Operations was adopted by the HUSD School Board on April 14, 2014. CDS Faculty participated in the development of the plan and items are regularly reviewed. Our district Safety Coordinator regularly provides timely and necessary in-service training for the purpose of prevention, compliance, and, importantly, awareness of issues that may affect our students, staff, and school culture. Our District, in the past, has employed a part-time school resource officer who worked closely with local law enforcement, although budget concerns have caused the SRO program to be temporarily discontinued. Our district and school safety coordinator keeps us well informed of new safety policies and procedures. Our school staff is provided with regular safety training on a variety of topics germane to Community Day School.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

The Hamilton Unified School District has negotiated and calendared Professional Learning Communities once a week for teacher collaboration that focuses on student achievement. Focus areas for staff development for 2013-2014 are Safety, Aeries Analytics, EDI, Common Core State Standards- specifically Integrated Math implementation, and Structured English immersion. These areas of professional development were selected based on the needs of our students, particularly the structured English immersion trainings which are aimed at improving access to our educational programs for all students. EDI (Explicit Direct Instruction)- now the Common Core Cadre- are ongoing trainings for all teachers in our district for the purpose of ensuring a common educational practice in the HUSD classrooms kindergarten through 12th grade. The high school has teacher-coaches to assist in this process through individual meetings and trainings, but also with in-class observation and coaching. Continued training is provided for the implementation of data analysis and data analysis programs with the intent of improving the teachers use of data to inform and improve instruction to help our students achieve academically.
